Auditor's Report on Quarterly Financial Results and Year to Date Company Pursuant Results of the to the Regulation 33 of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015

To,
The Board of Directors,
Girnar Spintex Industries Ltd.
(Formerly Amit Spinning Industries Limited)

We have audited the accompanying standalone financial results of Girnar Spintex Industries Limited ("the Company") for the quarter and year ended March 31, 2020, being submitted by the company pursuant to the requirement of Regulation 33 of the SEBI (Listing Obligations, and Disclosure _ Requirements) Regulations, 2015 read with SEBI Circular No. CIR/CFD/FAC/ 62/ 2016 dated July 5, 2016. These financial results which are the responsibility of the Company's management and approved by the Board of Directors have been prepared on the basis of the interim financial statements. Our responsibility is to express an opinion on these financial results based on our audit of such interim financial statements, which have been prepared in accordance with the recognition and measurement principles laid down in Accounting Standard specified under Section 133 of the Companies Act, 2013 read with relevant rules issued thereunder; or by the Institute of Chartered Accountants of India, as applicable and other accounting principles generally accepted in India.

We conducted our audit in accordance with the auditing standards generally accepted in India. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial results are free of material misstatement(s). An audit includes examining, on a test basis, evidence supporting the amounts disclosed as financial results. An audit also includes assessing the accounting principles used and significant estimates made by management.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Basis for Qualified Opinion

1. Impairment loss, if any, needs to be accounted for by the company by forecasting its cash flow to analyze whether the cost of the asset is recoverable or not.

2. The company having re-commissioned its regular operations of spinning this year, the figures for the quarter/year are not directly comparable with those of the corresponding previous periods, since there was not production activity in the corresponding previous period.
3. Due to non availability of sanction from SEBI the effect of reduction in the share capital is still to be given in the accounts. On giving effect to this the share capital of the company will get reduced by Rs.1852.63 Lakhs. Accordingly, the liabilities written back and the assets written off as a result of approved resolution plan by NCLT stands credited to Insolvency and Bankruptcy Reserve the balance in which as on 31.03.2020 is Rs.1,24,79,07,322/-

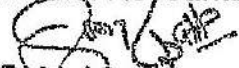

In our opinion and to the best of one-information and according to the explanations given to us, except for the effects of the matter described in the Basis for Qualified Opinion paragraph above, these quarterly financial results as well as the year to date results:
